Neuropsychologist - Assessment
Nanaimo, Vancouver Island, BC

Imagine your life’s work in our piece of paradise!

WHY WORK FOR VIHA?
Vancouver Island Health Authority (VIHA) is one of the largest employers on Vancouver Island with over 18,000 employees so opportunities abound. VIHA has been selected as one of the Top Employers in Canada and BC, three years running!

BENEFITS
As a member of the Health Science professionals, we offer an exceptional employer-paid benefits package including dental and prescription coverage, group life, long term disability and extensive extended health plan.

THE COMMUNITY
Nanaimo is considered one of North America’s most livable small cities with a population of approximately 85,000. Located on a harbour on the east coast of Vancouver Island, Nanaimo is 1½ hours north of Victoria, British Columbia’s capital city. Boasting a diversified economy, the city is a regional centre for technology, manufacturing, tourism, retail, health and government services with easy access by air, seaplane and regular ferry services from Vancouver. Nanaimo offers an attractive quality of life, mild climate, affordable housing with a relaxed island culture and friendly people.

ROLE SUMMARY
Our loss is your opportunity! Due to a retirement, we are looking to fill this full-time position.
Working as part of an interdisciplinary team, you will provide psychological and neuropsychological assessments for the purposes of diagnosis and treatment across a broad range of adult and older clients with a broad range of referring questions (psychiatric and neurological diagnosis, dementia, brain injury management, treatment recommendations, and capacity and placement decisions).

QUALIFICATIONS
In addition to your Ph.D. in Clinical Psychology, you have specific training in Neuropsychological assessment. Specific expertise and experience in neurological conditions and psychological assessment with severely mentally ill or behaviour disordered patients is essential. You are well organized and can plan your workload and establish priorities. Your background demonstrates your sound judgment, decision-making and problem solving skills. You work effectively as part of an interdisciplinary team and have a strong knowledge of community dynamics, agencies and resources.

Additional requirements include:
• registration with (or eligibility) the College of Psychologists of British Columbia.
• recent related experience working with adult clientele in mental health and addictions facility or related field, (ideally 5 years experience but an equivalent combination of education and experience may be considered)
• valid BC Driver’s licence
